Chain; McDermott, Michael

**Subject:** FSC-45-A Resend

**Date:** Thu, Mar 23, 1995 1:08PM

Resending the ROU Briefs. I received some calls that the 1st page was separated from heading. I made some adjustments. If still not okay, highlight heading and decrease the font size and can change your top and bottom margins to .3 if you still have a problem. Hopefully this will not happen next time.
